

# WALKER BAY

## Generation 360

### OVERVIEW

Featuring the same widebody design and deluxe features found on the 390 and 430 models, the Generation 360 exudes comfort and styling.

A walk through interior allows for easy maneuverability and ample storage keeps the cockpit free and clear. A storage hatch opens up underneath the pilot seat allowing access to the stern storage compartment. Heavy-duty, high-density cushions provide exceptionally comfortable seating and a teak inlay has been added to both the bow step and the pilot seat boarding step.
